**INSTRUCTIONS REGARDING THE CONDUCT OF  
EXAMINATIONS**

**1. Appointment of Chief Superintendent**

Chief Superintendent shall be appointed by the University at each examination centre. He/She will be responsible for the proper conduct of the examination at that centre.

**2. Appointment of Additional Chief Superintendent**

Additional Chief Superintendents shall be appointed by the University at centers if necessary. He/She shall be present at the centre 30 minutes before the commencement of the examination and till the answer scripts are properly packed and sealed.

He/She should have a role in keeping the question paper in safe custody, in the opening of the question paper cover, keeping the answer books in safe custody and the proper conduct of the examination at that centre. He/She should sign on the outer cover of the answer book bundle.

**3. Appointment of Asst. Superintendents (Invigilators)**

Asst. Superintendents/Invigilators may be appointed by the Chief Superintendent at the rate of one for every thirty candidates on an average in colleges / University Departments. Asst. Superintendents/Invigilators will be under the orders of and responsible to the Chief Superintendent.

Asst. Superintendents/Invigilators shall report for duty at least 30 minutes before the actual time fixed for the commencement of the examination each day.

**4. Duties of Invigilators**

The invigilators must put their initials on the Hall Ticket after identification / verification of the Hall Tickets of the candidates, without fail. The attention of the candidates should be called to the directions printed on the outer cover or inner page of each answer book and also to the instructions issued to them overleaf their hall tickets. They should be warned that failure to write the register numbers or write them correctly may involve rejection of their answer books.

No loose sheet of paper should be allowed in the examination room. Candidates should have their attention drawn to the instruction regarding rough work printed on the answer books. No separate books/Sheet for rough work will be supplied to the candidates. Rough working, if any, must be done at the bottom of the page reserving sufficient space exclusively for the purpose. Paper must not be detached from the answer books.

Invigilators should make sure that the answer books given to the students are properly filled up and signature by the student and the invigilator are done at proper places provided in the answer book. If the first answer books are found insufficient another answer book may be allowed after cancelling the facing the sheet (write “cancelled” and put the signature of invigilator). The additional answer book number in the facing sheet should be written in the column provided in the attendance sheet. All books supplied to the candidates must be handed over by them at the close of the examination securely fastened together.

Candidates are forbidden to ask questions of any kind during the examination. Superintendents are instructed to refuse to answer any inquiries what so ever, relating the question papers whether in explanation of the meaning or in correction of typographical errors. Candidates are not allowed to write anything except the register numbers and names on the question papers supplied to them.

Candidates shall take their places in the examination hall at least five minutes before the time fixed for distribution of question papers. Candidates presenting themselves more than half an hour after the commencement of examination should not be admitted for the examination of that day.

### **5. Verification of Question Paper Packets**

The Chief Superintendent should see that the seal and cover of the parcel /parcels are intact and the description and particulars on each sealed cover agree with those in the statement of question papers. The Chief Superintendent should further verify these sealed covers with the time table and nominal rolls of the candidate and satisfy himself that the covers containing adequate number of question papers in all the concerned subjects for the examinations have reached in time. In the event of there being any material defect or discrepancy, he should report the matter to the controller of Examinations.

#### **a. Keeping of the question papers**

Question papers should be kept under lock and key in the safe custody of the Chief Superintendent in steel almirahs which have duplicate keys, until they are distributed to the candidates at the examination hall.

Question paper packets may be sorted out date-wise and session-wise (FN/AN) and kept separately so as to avoid improper distribution at the time of examination.

#### **b. Shortage of question papers**

In the event of any shortage of question papers, suitable arrangements may be made for preparing the number of copies additionally required and the

fact shall be reported to the Controller immediately. When this is done, proper care should be taken to avoid malpractice of any kind.

#### **6. Arrangements for the blind/ Physically handicapped candidates appearing for the examination**

The blind / otherwise physically incapacitated candidates who write the examination with the help of the Scribes shall be seated in separated rooms. The maximum number of candidates belonging to the above categories is allowable in an examination hall shall not exceed five (5). An invigilator shall be allotted to the Supervise them.

For Prisoner candidates, a separate room and an Invigilator shall be given.

#### **7. Closure of examination / Duration of Examination**

Candidates are not allowed to exceed the prescribed time assigned to each paper. If on any cause the question papers in any subject cannot be given out exactly at the time fixed, the candidates should be allowed the full period prescribed for writing their answers.

#### **8. Postponement of Examination**

Any unexpected holiday declared by the Government or by any Local Authority after the publication of the programme of examination by the University, will not affect the programme of examination already announced unless otherwise specially notified by the University through public media like Radio, Television, Newspaper etc.

#### **9. Prohibition of Unauthorised Persons**

No unauthorized person should be permitted to enter the examination buildings and its vicinity. The Chief Superintendent should closely watch the conduct of all peons and menials to see that they do not communicate with any candidate verbally or by signs or by conveying written messages or communicate either verbally or otherwise with persons outside the examination buildings. During the hours of examination, care should be taken to see that no person loiters on the verandahs or anywhere near the examination room. Particular care should be taken to prevent such possibilities. Outsiders and peons not engaged on examination duty should not be allowed to wander about on the verandah while the examinations are going on.

#### **10. Blank Answer Books**

The blank answer books received from the University and kept in safe custody by the principal of the College/Headmaster of the School should be issued to the Chief Superintendent for use on each day of the examination according to needs. Every care should be taken by the Chief Superintendent to

prevent possible substitution of books from outside containing prepared answers. It shall be the personal responsibility of each Chief Superintendent to see the strict observance of this instruction.

In case of issuing two answer books to a candidate appearing for an exam, the front page/facing sheet of the latter may be cancelled/scored and tied properly.

On receipt of Answer boxes stock entries are to be made. Balance position of answer paper is to be maintained in the stock register after each day of the exam.

Answer papers of each QP code shall be bundled or packed separately. No bundle shall have answer papers of more than one code. The answer script shall be bundled or packed not more than 150 nos. for convenience. If there are more than one bundle of a same question code it shall be numbered as 1/3, 2/3, 3/3 and so on.

Each answer paper bundle should bear the name of the college, name of exam, QP code and the date of exam.

Answer papers are to be bundled/packed QP code wise; at the closure of each exam. It is to be ensured that question paper codes written on the bundle and on the statement enclosed are correct.

### **11. Collection/Despatch of Scripts**

After the answer books have been collected, they should be carefully arranged according to subject, examination wise and in numerical orders. The answer books should be bundled, covered with cloth and properly sealed up in the presence of the Chief Superintendent and the Additional Chief Superintendent (if any) and should be despatched in the personal address of the Controller Examinations unless otherwise instructed. The Chief Superintendent /Additional Superintendent must ensure that total number of answer scripts in a particular packet tallies with the total number of the candidates for that paper.

### **12. Absentees Statement**

Immediately after the first half an hour of each examination, the Chief Superintendent should note the absentees, giving their name and Register Number in the consolidated forms supplied to be returned at the close of the examination to the Controller of Examinations keeping a copy for future reference making the letter(A) against the names in the appropriate column. “ List showing the names of absentees, their Register Numbers and the days of Examination and subject from which they were absent” is the form to be used for this purpose. The Chief Superintendents should personally see that the statement is carefully and truthfully filled up each day and sent to the

Controller of Examinations without fail immediately after the close of the examination at their Centres.

### **13. Purchase of Stationery**

While purchasing articles, special care be exercised to see that the stationery articles purchased are of good quality suitable for use at University Examinations. The expenditure for the above purposes is to be met from the advance paid to the Chief Superintendent by the University for the conduct of University Examinations and adjusted in the final bill of charges.

### **14. Avoid Colour Threads**

Under no circumstances colour threads should be used for tying up the answer book and additional sheet. Violation of this rule may lead to the cancellation of the script.

### **15. Advance**

Applications for advance towards examination charges and remuneration to Assistant Superintendent and menials should be made to the Controller of Examinations early enough, who will arrange for the payment of the amount.

If an advance received is insufficient, Chief Superintendent shall make a request with details to the Controller of Examinations for sanction of second/subsequent advance mentioning the amount required.

In the case of any emergency not provided for in these instructions, the Chief Superintendent shall act according to his discretion for the proper conduct of examinations.

### **16. Admittance of Candidates**

Chief Superintendent should be personally satisfied as to the identity of candidates when hall tickets are issued to them and when they are admitted to the examination hall. All precautionary measures should be taken against possible impersonation. The maximum number of candidates to be admitted on an examination hall/room shall not exceed 30.

Particular care should also be taken to see that hall tickets are not wrongly interchanged between candidates. There have been cases in which owing to similarity of names hall tickets were issued to wrong candidates with the results that they wrote their examinations under wrong register numbers causing great difficulty in the matter of the correct identification of their answer books. When hall tickets are issued, particular care should be taken to identify candidates with reference to their second language, or their optional subjects/groups. If there are candidates with the same name appearing for the same part or parts of an examination they should be identified with reference

to their place of birth or date of birth shown in the hall ticket and the nominal roll

### **17. Hall Tickets**

In order to help Chief Superintendent to identify candidates correctly, passport size photographs have been prescribed which will have been affixed to their hall tickets duly certified by identifying officers and with the University seal stamped on them. This is intended to prevent even exceptions of possible wrong identification of candidates by Chief Superintendent.

### **18. Provisional Admission of Candidates**

Sometimes cases may arise that certain candidates are not in a position to produce their hall tickets or have not been correctly registered for the examination they have to appear. On such occasion the candidates may be provisionally admitted to the examination at their own risk, provided they give a declaration in writing that their application had not been rejected by the University and the fact reported to the Controller of Examinations. Candidates who have lost the hall tickets may be asked to produce the copies of their photo(Passport size) for being forwarded to this office with the signature of the Chief Superintendent when the examination is over. The answer papers of such candidates may be forwarded separately on receipt of information as to their register number from this office, if the numbers are not already known.

### **19. Cancellation of entries in the Answer Book-Facing Sheet**

Under no circumstances register numbers on the facing sheet must be left scored without the full signature of the Chief Superintendent and in all such cases a statement leading to such action must be sent to the Controller of Examinations.

Additional sheets of the same series of the main answer book, must be given to the candidates on each day of examinations if available. The series of additional books is to be changed daily, these facts should be recorded and reported to the University while sending the scripts.

### **20. Leaving the Hall**

A candidate on any reason should not be allowed to leave the hall before the expiry of half an hour from the commencement of the examination.

### **21. Leaving Examination Hall early/ Surrender of Question Paper**

No candidates shall be allowed to leave the examination hall till the expiry of half an hour after a question paper has been given out and no candidate who leaves the room during the period allotted for the paper, shall be allowed to return within that period. Candidates who leave the examination hall more than half an hour earlier than the scheduled time for the

close of examination should surrender their question papers with their name and register number written on them to the Invigilator and collect them back after the examination, if they so desire.

Candidates, who leave the hall refusing to surrender the question papers, as stated above shall not be allowed to take the examination of subsequent days and the matter may be reported to the Controller Examinations.

Candidates shall be permitted to leave the examination hall only after his/her answer book is handed over to the invigilator on duty in the hall. They should not be permitted to leave the hall after keeping their answer books in their seats.

## **22. Inspection by University Authority/Keeping of Question Papers**

The duplicate keys should be kept in a sealed cover under the personal custody of the Chief Superintendent and it should be opened for inspection by the Controller of Examination or any other University authorities competent to conduct the inspection at any time during the period of conduct of the examinations.

### **CHIEF SUPERINTENDENTS**

**Please see that**

1. Before opening the outer packet of question covers, verify and assure yourself that it is the right one for the day/session.
2. Cut open the top part of the inner cover, pull out the question paper a little (don't pull it out completely) and verify the code number and title of the paper.
3. If they do not agree, put it back and seal the cover.

### **Opening the Question Paper Cover**

The covers containing question papers should be examined in the presence of the Additional Chief Supt. and at least two invigilators, twenty minutes before the time for commencement of the examinations. The Chief Superintendent / Add. Chief Superintendent and the invigilators present must sign the covers after satisfying themselves that the covers are in good condition. The Chief Supt. will then cut the cover with the scissors along the line indicated, without damaging the seal. The cut part should not be completely detached from the rest of the cover but allowed to hang loosely from it, giving sufficient opening for taking out the question papers.

### **Opened Question Paper Covers**

The Chief Superintendent will forward the opened covers to the Controller of Examinations along with the Examination Answer Scripts.

In addition, the Chief Superintendent shall send to the personal address of the Controller of Examinations a declaration, in the prescribed form supplied, that the seals on the question paper covers were intact at the time of opening them. The declaration should have the signature of the Chief Superintendent and at least two invigilators present at the time of opening the question paper(s).

### **Unopened Question Paper Covers**

In case where the only candidate registered for the examination in a centre absents himself, the Chief Superintendent should make a report thereof to the Controller of Examinations and return the unopened cover containing the question papers.

### **Question Papers to Invigilator**

The attention of the Chief Superintendent is specially invited to the instruction that question papers are to be handed over to Asst. Supt. / Invigilators only in sealed covers. No loose question papers should be made available to them. Assistant Supt. may be specially instructed to scrutinize each question paper before it is handed over to the candidates in order to make sure that it is the right question paper that is being distributed.

### **Exhibition of Time Table**

The Chief Superintendent shall paste a copy of the timetable and instructions to the candidates at a prominent place in the exam centre and invite the attention of the candidates thereto.

### **Hall Tickets**

Regular students shall download their examination hall tickets from the University website. In other cases the tickets of the candidates appearing for the examinations will be sent to the Chief Superintendent. They should be distributed to the candidates three days before the commencement of the examination. All precautions against fraudulent impersonation should be taken and if any case is detected it should immediately be brought to the notice of the Controller of Examinations. The Chief Superintendent should check the names of candidates and the numbers on their hall tickets with the list of candidates sent to him by the Controller of Examinations. The name of any doubtful candidates should be reported immediately to the Controller Examinations.

### **Admittance to the Hall**

No candidates should be admitted to the Examination Hall unless he presents the hall ticket issued to him or otherwise satisfies the Chief Superintendent as to his eligibility and identity.

**Verification of Hall Tickets**

The hall tickets of all candidates should be inspected during the course of the first session of Examination. Candidates may also be asked to produce these documents on any other day of examination.

**Admittance of Candidate not included in the Roll.**

If a candidate whose name does not appear in the list furnished to the Chief Superintendent, he may not be admitted to the examination unless the Chief Superintendent is satisfied that he has the eligibility to take the examination.

Such candidate may be asked to produce two passport size photos and certificate of remittance of examination fee made on or before the last date of receipt of application. The Chief Superintendent may affix his seal and signature on the photos and hand over one of them to the candidate for producing at the time of examination. Further the form in this regard may be got filled up by the candidate and forwarded to the University (see Appendix - I).

But in such case the Chief Superintendent should report the fact at once to the Controller of Examinations stating the circumstances of the case. The answer books of the candidate should be retained by the Chief Superintendent until receipt of information as to his register number from the office of the Controller of Examinations.

If there are more than one candidate, the details regarding the name and address of the candidate, the subject, date and time of examination may be entered in a sheet of paper and kept along with the answer papers in a sealed packets signed by the Chief Superintendent and Additional Chief Superintendent.

**Candidates Having Infectious Diseases**

Candidates who are undoubtedly suffering from infectious diseases of any kind should not be admitted to the examination hall.

**Use of Mathematical Instruments/Tables/Calculators**

Candidates are not allowed the use of books of any kind. The use of Mathematical instruments is allowed in those papers in which they are useful. Such instruments will not be supplied by the University. Chief Superintendents are requested to warn the candidates at the commencement of examination in each paper that persons found introducing into the examination hall or found in possession of Mobile Phones, i-pods or any other Electronic Communicative devices, or copying from any book or portion of a book, manuscript or paper of any description, or communicating with any persons

outside the examination room either in person or through mobile phones etc. will be treated as guilty of malpractice.

In the case of University Examinations, requiring the use of mathematical and other calculation tables, candidates are permitted to bring their own tables without any scribbling on any pages of the book. Special Instructions should be given to the Invigilators to verify strictly and carefully the tables brought by the candidates and to satisfy themselves that there is no scribbling or any addition in them which may directly or indirectly facilitate any kind of malpractice at the examination. In the case of Logarithm tables, the students are permitted to bring only Clarks tables.

### **While in Examination Hall**

Strict silence shall be maintained in the examination hall. This rule is applicable to the Supts. as well as to all the candidates. Candidates and Supts. are strictly prohibited from smoking in the examination hall.

### **Selection of Answer Books/Stock Accounts**

The Chief Superintendent is responsible for keeping Proper accounts for the stock and use of the main answer books and additional sheets.

Additional sheets must not be used for any purpose other than answering questions including doing calculations by the candidates in the examination hall. In no case blank main and additional book shall be kept by any person other than the Chief Superintendent. Chief Superintendent shall be held responsible for the misuse of the same.

The invigilators shall be provided with Proforma of paper accounts along with the blank main and additional books and shall return it to the Chief Superintendent duly filled at the end of the session together with scripts and unused answer books. The blank main or additional book shall not be used for any other purpose.

### **Consolidated Absentee Statement**

The consolidated list of absentees should be prepared and forwarded as instructed in para 16 of the printed instructions. They should be forwarded at the end of each category of examinations without fail. For example, the consolidated list of absentees relating to I year degree examination, should be forwarded at the close of the I year degree examination, that relating to second year B.A degree examination when the second year B.A degree examination is over and so on. The Chief Superintendent sometimes omit to send this absentee statement in proper time, causing considerable difficulty in the University Office.

**Report Regarding Invigilation Works**

After the completion of the examination, the Chief Superintendent must give a schedule of work done by each invigilator stating the date and session and hall number of his duty. This statement is very much required in the cases of suspected malpractice reported during valuation time.

**Police Security**

The Director General of Police will be requested to issue instructions to the Police Officers in the various centres to keep in touch with the Chief Superintendent and to render them such help as may be needed and sought by them. Any trouble, if apprehended, the Chief Superintendent may take suitable and necessary precautions to prevent untoward happenings.
