Patron's Message

His Excellency Mar Joseph Pamplany

Our Honourable former president, Dr APJ Abdul Kalam has rightly affirmed that the ignited mind of youth is the most valuable resource and unflagging energy on the earth. Educated youngsters with the right attitude and focused mind are effectively empowered to spearhead the challenges of the present world with resourcefulness and self-reliance. Professional expertise is the catchword of success everywhere. Gone are the days, where sole cognitive development was treated as the benchmark of excellence in the academic and professional fields. But today, inclusive skill acquisition is treated as the integral part of employability. The adaptability to work in a group with an unbiased ethical vision and solid team leader proficiencies to manage crisis amicably are vital for person's career. So, right from the inception, Vimal Jyothi is being endeavoured to mould quality professionals, instilled with human values and professional ethics.

I have great pleasure to invite you to our campus and pursue academic, ethical, cultural, social and entrepreneurial skill transformation to excel in the ever-evolving corporate world.

Manager's Message

Rev. Fr James Chellamkottu

Vimal Jyothi is a management institution with a difference, inspired by the radiance of gospel values and the mission of imparting quality education suffused with creativity, professionalism and an inclusive social perspective. As the achievement of these goals is a hard-earned result, we need discipline, perseverance and unflinching commitment as the core principles of life and education. Moreover, we have phenomenal infrastructural facilities so that our goals would synchronize with our performance. Any learning experience bereft of life values is utterly pointless and can even be catastrophic in result. Hence, this institution continually evolve value-added programs to reinforce the learners' convictions. Simultaneously, we have an excellent team of faculty members to carry out our noble mission with a prophetic zeal. In addition to this, workshops to enhance skill acquisition, industrial visits to promote hands-on training, national and international seminars and many other interactive programs eventually instill a sense of empowerment in the students.

Principal's Message

Fr (Dr) Genimon V Joseph

Today organisations are turning lean, knowledge-based, boundary-less and flat. As competition shakes up the organisations, the demand from the corporate sector is changing with every minute. Employability reports affirm the existence of considerable gap between supply of quality management professionals and the demand for them. The strategic vision of the world and the challenging corporate requirements need a new breed of global managers who are capable of delivering quality from day one.

We, at Vimal Jyothi Institute of Management and Research (VJIM) aspire to abridge this gap by creating professionals, who are intellectually strong, morally sound and professionally vibrant.

The MBA program at VJIM is aimed at developing the skills required to lead and manage corporates in the rapidly globalizing networked economy. Mentoring by the outstanding teachers, association with effective business leaders and motivated peers are provided to develop technical, interpersonal and conceptual management skills of the students. The institution nurtures mutual respect and a sense of achievement with right blend of knowledge, skills and attitude.

VJIM is committed to develop contemporary, competent and creative professionals for providing innovative leadership to industry and society. Evolve, Empower & Excel- should that be the motto of every aspirant of management education at VJIM. We are continuously devoted to promote the skill sets and attitude of our students, so that they turn out to be precious assets to mould the organizations they work for and commit themselves for the betterment of the society.

Vision

To bloom into a centre of excellence in management education and research that responds to the needs and demands of corporate world with professional integrity, moral uprightness and sense of commitment.

Mission

To provide the students with quality education that kindles creativity, encourages innovation, enhances originality and instils ethical practices to enable them compete successfully in the global business arena with commitment to the concerns of the marginalized guided and inspired by gospel values.

Core Values

- ♦ Mutual understanding, brotherhood & co-operation among all
- ♦ Love of discipline & hard work
- ♦ Concern for the marginalized
- ♦ Tolerance and moral uprightness
- ♦ Fear of God

Vimal Jyothi Institute of Management and Research (VJIM) is established in 2010 by the Meshar Educational Trust, as a private, co-educational, minority institution imparting value based quality education, training and research in the areas of business management. The institute offers two year full time residential MBA programme with dual specialisation. The institute is approved by AICTE and is affiliated to Kannur University. Located in an attractive self-contained campus on the western side of Vimal Jyothi Engineering College, 2 kms from Chemperi and 45 kms from Kannur town, the institute envisions to bloom into a centre of excellence in management education and research that responds to the needs and demands of corporate world with professional integrity, moral uprightness and sense of commitment.

VJIM focuses on holistic learning and believes in the recognition of its programmes by corporate world by virtue of its content, quality, uniqueness and the superior genre of graduating students. The institute has excellent infrastructure and resources to provide students with quality education that kindles creativity, encourages innovation, enhances originality and instils ethical practices to compete successfully in the global business arena. It houses air conditioned class rooms equipped with multimedia facilities, audio-visual centre, computer centre with the latest configurations, digital library, seminar hall, common rooms, gymnasium, cafeterias, bank counter, ATM, counselling centre and modern and well designed accommodation units for boys and girls separately. The institute has outstanding faculty members with substantial experience in teaching, consulting and research. The institute has eminent academicians and distinguished corporate leaders on its Advisory Council.

Students are required to attend periodic seminars, symposia, workshops, trade fairs, conferences, forums, lectures, summits, speaker series – the list of events on campus is endless, and that can provide a far more comprehensive view of ground realities than any text book can. VJIM brings some of the most inspirational and thought-provoking leaders in the world from industry, government, finance, and media through our doors, to make students listen to, learn from and to be challenged by speakers. This naturally will give our students the 'knowledge plus experience' edge making them the first choice of prestigious corporates.
